

## 22/23 Impact Report

### What does ABCD do?

We were founded over 20 years ago and exist for two reasons: To strengthen our championship athletic program and ensure every Dexter student that wants to play - can.

### How much did we directly give to Dexter athletic teams in 22/23?

# \$23,177

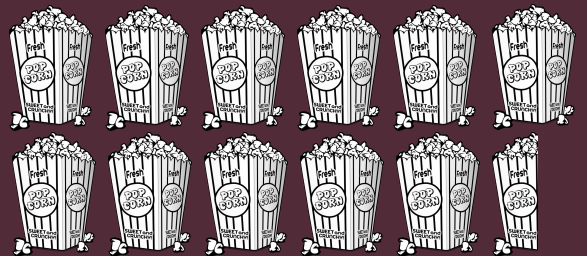

# 25

### DCS Athletic teams we directly supported in 22/23

We proudly support the entire DCS Athletic program including Mill Creek Athletics, Field Hockey, Water Polo, Cheer and our Marching Band.

### That's a lot of popcorn!

At \$2.00 for a bag of popcorn at Al Ritt on a Friday night, that's the same as 11,588 bags of fresh, hot popcorn!

 = 1,000 bags

### Everyone who wants to play - can.

Championship athletics starts with our students. We proudly donated \$10,000 to DCS Athletic Dept to fund athletic scholarships last year.
