1. Welcome & Introduction

Meeting started at 7:06 with welcome and introductions

There are a lot of exciting things happening in Dexter sports this season. Women's Tennis won regionals, Men's Lacrosse lost by one goal in playoffs, Baseball senior night this week.

Our attendance is 17 so we have enough for quorum.

The following table lists the meetings for the 2023/2024 school year:

Month	Date
Sept	20
Oct	18
Nov	15
Jan	17
Feb	21
Mar	20
Apr	17
May	22

2. Athletic Director Report

Welcome Mike. Mike has hired an Assistant A.D. - Kelly King from the University of Michigan. She is going to be a great addition to the athletic department and Dexter schools.

Mike answered many questions:

-Did you know the school only purchases safety equipment for the athletes. Not items like uniforms. Also pays for salaries of coaches, officials, entry fees, and transportation.

-Transportation has been a challenge for the last few years. We pay Getaway \$900 per bus when we use them. There is a big lack of bus drivers for the school and for sporting events.

-ABCD gives \$10,000 for pay to play scholarships that is 100% used and appreciated.

-At times we are short staffed for people helping to collect game entrance fees. We typically try to use NHS students and we pay them to help.

-Did you know you can pay an assistant coach out of team funds?

-Concession stand can have volunteers as young as 14, however the organization feels that 16+ and adults is really a better age to handle the busyness of the stand.

-Other ways we used to raise money for athletics:

- Trivia nights

- Golf Outing - Aubree's still doing - please support

- Gala fundraiser - we can get a one day liquor license if needed

3. Officer Election

All officer positions are for 1-year term, so they will all be up for election at our May meeting.

Nominations;

President - Marianna Leverett and Scott Winkler

VP - Allison Bishop and Marie Richards

Treasurer - Jodi Kniesteadt

Secretary - Marji Wisniewski

Marji conducted the vote via anonymous ballots.

Scott Winkler voted in as President

Allison and Marie are going to think about being co-vps

Jodi will be Treasurer and Marji will be secretary again

A huge thank you to Leigh Vaughn who kept ABCD running during the crazy COVID days and all of her dedication to ABCD over the years. A big thank you to Marianna, and Laurie Farmer as well for their time and dedication to ABCD.

4. Treasurer Report

We have an ending balance of \$39,149.8 as of 4/30

Winter payouts were \$3,788 to teams. Judi deposited into your team accounts.

5. Concessions Report

- We need to look into prices for the 2023/2024 season and possibly raise prices due to inflation to be sure that we are turning a profit for ABCD that can be shared with all teams.

6. New/Old Business

Meeting adjourned at 8:25 pm.
